

## Adicet Bio Named as One of FierceBiotech's "Fierce 15" Biotech Companies of 2016

September 19, 2016

Menlo Park, CA (September 19, 2016) – Adicet Bio, Inc. today announced that it has been named by *FierceBiotech* as one of 2016's Fierce 15 biotechnology companies, designating it as one of the most promising private biotechnology companies in the industry.

"We are honored to be selected to the "Fierce 15" class of 2016," said Aya Jakobovits, Ph.D., President and Chief Executive Officer of Adicet Bio. "We are committed to advancing our novel off-the-shelf immune cell-based platform and proprietary immunotherapies directed to MHC-peptide complexes to generate first-in-class therapies for patients suffering from cancer, autoimmunity and other diseases indications."

The Fierce 15 celebrates the spirit of being "fierce" – championing innovation and creativity, even in the face of intense competition. This is *FierceBiotech's* fourteenth annual Fierce 15 selection. An internationally recognized daily report reaching a network of over 275,000 biotech and pharma industry professionals, *FierceBiotech* provides subscribers with an authoritative analysis of the day's top stories. Every year *FierceBiotech* evaluates hundreds of private companies from around the world for its annual Fierce 15 list, which is based on a variety of factors such as the strength of its technology, partnerships, venture backers and a competitive market position.

### About FierceBiotech
