

Adicet Bio to Present at Upcoming Investor Conferences

September 7, 2022

REDWOOD CITY, Calif. & BOSTON--(BUSINESS WIRE)--Sep. 7, 2022-- Adicet Bio, Inc. (Nasdaq: ACET), a clinical stage biotechnology company discovering and developing first-in-class allogeneic gamma delta chimeric antigen receptor (CAR) T cell therapies for cancer, today announced that company management will participate in two upcoming investor conferences in September.

Details of the events are as follows:

H.C. Wainwright 24th Annual Global Investment Conference, September 12-14, 2022, New York, New York

- An on-demand presentation given by Chen Schor, President & CEO will be available beginning Monday, September 12, 2022 at 7:00 A.M. ET

Jefferies Cell and Genetic Medicine Summit, September 29-30, 2022, New York, New York

- Chen Schor, President & CEO, will present a corporate overview on Friday, September 30, 2022, at 8:00 A.M. ET.

The live audio webcast of the presentations can be accessed on the Investors section of Adicet Bio's website at <https://investor.adicetbio.com>. An archived replay will be available for 30 days following the presentation.

About Adicet Bio, Inc.

Adicet Bio, Inc. is a clinical stage biotechnology company discovering and developing allogeneic gamma delta T cell therapies for cancer. Adicet is advancing a pipeline of "off-the-shelf" gamma delta T cells, engineered with chimeric antigen receptors and T cell receptor-like targeting moieties to enhance selective tumor targeting, facilitate innate and adaptive anti-tumor immune response, and improve persistence for durable activity in patients.
